### **Veteran Bitch (4)**

#### **1) Sh Ch Hernwood Luna Eclipse JW      BB, BV & RBIS**

*Lovely and feminine, exhibited in full coat and presented in top condition. Correct angulation front and rear, straight front, good depth of chest. Excellent topline and tailset, both maintained when moving happily around the ring. (BB, BVB, BVIS)*

#### **2) Ch Forester's Xclusive Edition of Darkmoor at Marlbeck (Imp Deu) RBB**

*This bitch belies her age at 9 years old. Very nice proportions to her head, lean neck, good depth of rib, well muscled, moved out steadily. (RBB)*

#### **3) Hernwood Stella Firework**

#### **4) Burroughtof Star Symphony**

### **Minor Puppy Bitch (0)**

### **Puppy Bitch (3)**

#### **1) Caradilis Little Sparkler      BP**

*First two bitch pups were litter sisters. I felt that they shared similar attributes at this stage of development. Both had reasonable length of neck, good fronts and level toplines. I'm sure they will change places as they mature on. First was more together on her movement today. (BPB & BPIS)*

#### **2) Caradilis Sparks Will Fly**

Please see critique for 1st

#### **3) Lignum Orient**

### **Junior Bitch (3)**
